The idea that the hog crop of Doniphan County had been exhausted by erop fail ures and disease, is shown to be very erroneous by the actual facts, as the season advances. There are more good hogs in the County, this Winter, than ever before. The warm weather has caused a decline in the price, which is now down to \$3.50.

VEGETINE

WILL CURE RHEUMHTISM

MR. ALBERT CROOKER, the well-known druggist and apothernry, of Springvale, Me., always advises very one troubled with Rheumatism to try VEGETINE.

Read His Statement: SPRINGVALE, ME., Oct. 12, 1876.

Mr. H. R. STEVENS:—

Dear Sir.—Fifteen years ago last Fall I was taken sick with rheumatism, was unable to move until the next April. From that time until three years ago this Fall, L suffered everything with rheumatism. Sometimes there would be weeks at a time that I could not step one step; these attacks were quite often. I suffered everything that a man could. Over three years ago last Spring I commenced taking Visitities, and followed it up until I had taken seven bottles; have had no rheumatism since that time. I always advise every one troubled with rheumatism to try Visitities, and not suffer for years, as I have done. This statement is gratuitous as far as Mr. Stevens is concerned. Yours, etc...

ALBERT CROOKER, Firm of A. Crooker & Co., Druggists and Apothecaries. MR. H. R. STEVENS:-

VECETINE

HAS ENTIRELY CURED ME.

Ms. H. R. STEVENS:—

Beer Sic - My daughter, after having a severe attack of Whosping Cough, was left in a feeble state of health. Being advised by a friend she took the VEGATINE, and after using a few bottles was fully restored to health. I have been a great sufferer from Rheimatism. I have taken several bottles of the VEGATINE for this complaint, and an happy to say it has entirely cured me. I have recommended the VEGATINE to others with the same good results. It is pleasant to take, and I can cheerfully recommend it.

RHEUMATISM is a DISEASE of the BLOOD. The blood in this disease, is found to contain an excess The blood in this disease, is found to contain an excess of fibris. Venezing acts by converting the blood from its diseased condition to a healthy circulation. Venezing regulates the bowels, which is very important in this complaint. One bottle of Vinezine will give relief, but to effect a permanent cure it must be taken regularly, and may take several bottles, especially in cases of long standing. Vinezine is sold by all druggists. Try it, and only the best was a that of thousands before you, who say, "I never found so much relief as from the use of Vinezine," which is composed exclusively of Borks, Roote and Herbs.

"Vguertye," says a Boston physician, "less no equal as a blood purifier. Hearing of its many wonderful cares, after all other remedies had failed, I visited the laborato-ry and convinced myself of its grantine merit. It is pre-pared from barks, rocots and herbs, each of which is highly effective, and they are compounted in such a man-ner as to produce actorishing results."

VECETINE.

Mr. H. R. SERVENS:—

Dear Sir.—I have been troubled with Scrofula, Canker and Liver Complaint for three years: nothing ever did me any good until I commenced using the VERETINE. I am now getting along first rate, and still using the VERETINE. I consider there is nothing equal to it for such complaints. Can heartily recommend it to everybody. Yours truly.

In making its seventh annual amouncement, The Inter-Ocean reassures its readers and the public generally of its faith in the Republican party, and its devotion to Republican principles. The course of The Inter Ocean during that trying period, wan for it the admiration and lasting triendship of Republicanism, to which the public tarned for advice and for encouragement.
